Who was Melchizedek? It would appear that Jewish priests and scribes in the Old Testament are behind this Can of Worms that began the Melchizedek movements. This is another reason that the DATA in the Old Testament CANNOT BE TRUSTED

Urim and
Thummim
The Urim and Thummim were sacred, mysterious instruments used by the High Priest of Israel to discern the perfect will of God for the nation before the rise of the prophets.

The communication device used different colored stones that were placed within what was known as the "breast piece of judgment." These priests wore special garments for protection because of the radiation associated with this device.

THIS APPEARS TO BE THE BEGINNING OF THE ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT IN THE OLD TESTAMENT.

THEY WERE PRIESTLY CAST WHO TALKED WITH ALIENS ON THEIR BREAST PLATE DEVICES AND ALSO USED THE URIM AND THUMMIM WHICH you will have to Google yourself if you want to learn more about these devices.

ALL OF THE SUBJECTS AND NAMES BELOW ARE AN INTERRELATED GROUP OF BELIEFS THAT ARE WHAT I REFER TO AS A CAN OF WORMS THAT HAVE LEAD TO THE DECEPTIONS AND CONTROL OVER MANKIND.

The more various people groups call on them summon them and pray to them the worse it gets and the more their influence in our world escalates. Yes not all the Watchers are Fallen Watchers however all we hear about are the Fallen ones. We do not know who created the WATCERS for sure.

Melchizedek served as a priest of **El Elyon**, which translates to **"God Most High"** or "Possessor of heaven and earth." The Bible Project +3

His worship is recorded in Genesis 14:18-20, where he blesses Abraham in the name of God Most High. This deity is generally understood to be the one true God, though ancient Canaanites also used the title for the high god of their pantheon. Britannica +3

"Secret societies, esoteric fraternities, and occult orders do not generally "worship" Melchizedek as a god. Instead, they

revere, invoke, or initiate members into his name. Because he is a priest-king without an earthly genealogy, secret societies view him as the ultimate archetype of timeless, cosmic authority. They use his name to establish their own "spiritual legitimacy" apart from standard churches.

The prominent fraternal orders, esoteric networks, and secret societies that heavily utilize the figure and doctrines of Melchizedek include: **Freemasonry (The Holy Order of High Priesthood)** While mainstream Freemasonry requires a belief in a Supreme Being rather than worshiping specific biblical characters, Melchizedek is a central figure in several of its highest and most secretive "orders in our world today. **The Anointed Order of High Priesthood:**

CHRISTIAN BREAD AND WINE RITUAL ORIGINS CAME FROM THE WORSHIP OF TH MYSTERY CULTS AND THE GOD MITHRAS

This is a distinct Masonic degree conferred exclusively upon those who have been elected to preside as High Priest over a Royal Arch Mason Chapter. During the secretive ritual, candidates are symbolically anointed and set apart "after the Order of Melchizedek". Then we have **Masonic Esotericism:** Early Masonic scholars—including those cataloged in historical logs like the Masonic Wikidot—noted that Melchizedek's **offering of bread and wine closely resembled ancient pre-Christian mystery cults like the Mithraic Mysteries**. **Keep in mind that the Jewish and Roman Orthodox Catholic and Christian Churches (JROCC) also secretly promote the worship of Mithraism.** Masons use his figure to represent the historical unification of political power (the King) and spiritual power (the Priest). [1, 2, 3] N**ow notice that these secret societies are engaged in global political power today as the NWO ASM DEEP STATE that is trying to install Nazism into t he world**

The Rosicrucians (Order of the Rose Cross)

The Rosicrucian Order

Knowledge from the aliens gods is wisdom that also comes from alchamy.

Rosicrucianism is a network of secretive, esoteric fraternities that arose in Europe during the early 17th century. They blend Christian mysticism, alchemy, and Kabbalah. Rosicrucian Kabbalah is a Western esoteric synthesis that merges Jewish mystical traditions with Christian and Hermetic philosophies. It interprets the Kabbalistic **Tree of Life** as an alchemical map for cosmic creation and human spiritual evolution, aiming to unlock universal laws. **In ordinary English they seem to be saying that they are promoting alien ideologies that come from the cosmos which unlock forbidden knowledge.**

Woo the chemicals are going to talk with me

The "Two Bloodlines" Doctrine: Prominent Rosicrucian mystics, such as Max Heindel (documented on archives like The Masonic Trowel), taught that humanity is split into two spiritual lineages: the **"Sons of Cain" (the builders, artisans, and occultists)** and the **"Sons of Seth" (the churchmen and blind believers.**

According to Rosicrucian secrecy, Melchizedek is the cosmic figure who ultimately unifies these two opposing forces under a singular, hidden divine kingdom.

El Elyon (Hebrew: אל עליון), which translates to **"God Most High,"** is the supreme deity and creator. In ancient theology, He rules over the heavenly realm and presides over a council of subordinate divine beings. **The Watchers are a high-ranking group of these celestial beings (also called *Grigori*) created to oversee humanity and the earth**. The Rebellion: How They Fell

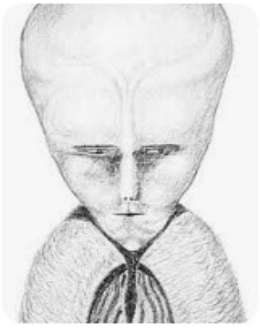
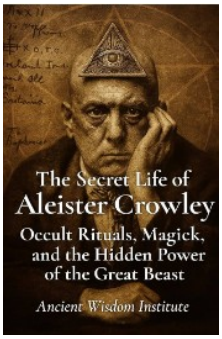
According to ancient apocryphal literature like the Book of Enoch, the descent of the Watchers unfolded in a highly specific way: TheCollector

- **The Oath:** Seduced by earthly beauty, a leader named Samyaza convinced 200 Watchers to desert their heavenly duties. They bound themselves with a solemn oath on Mount Hermon to descend to Earth and take mortal wives. Wikipedia +2
- **Forbidden Knowledge:** Beyond intermarrying with humans, the rebel Watchers taught mankind dangerous secrets. The Watcher Azazel introduced metallurgy for weapons, cosmetics for seduction, and magical arts, while others taught astronomy

- ## 3. The Martinist Order (L'Ordre Martiniste)

Martinism is a highly secretive, mystical form of Christian chivalry founded in 18th-century France by Louis-Claude de Saint-Martin and Martinez de Pasqually.

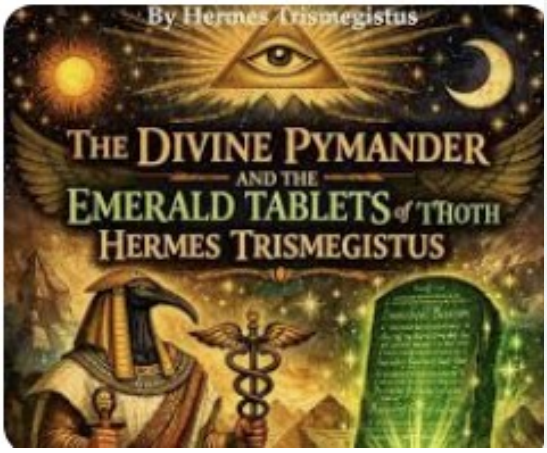




Mentor of Aleister Crowley

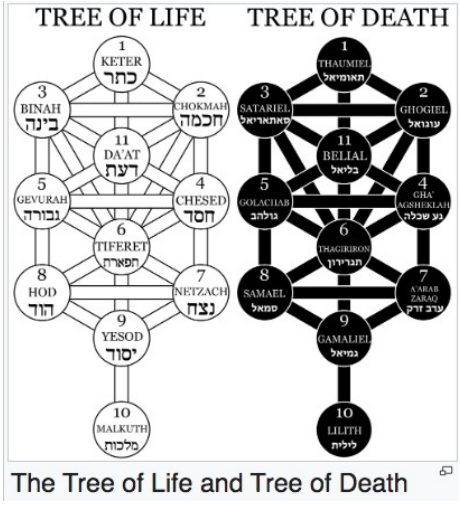
The Secret Inward Priesthood: Unlike public churches that require physical ordination, Martinists believe in a hidden, internal spiritual lineage. They claim their initiations grant them access to an invisible, celestial priesthood **aka ALIENS aka the "sons of the gods."** They frequently use

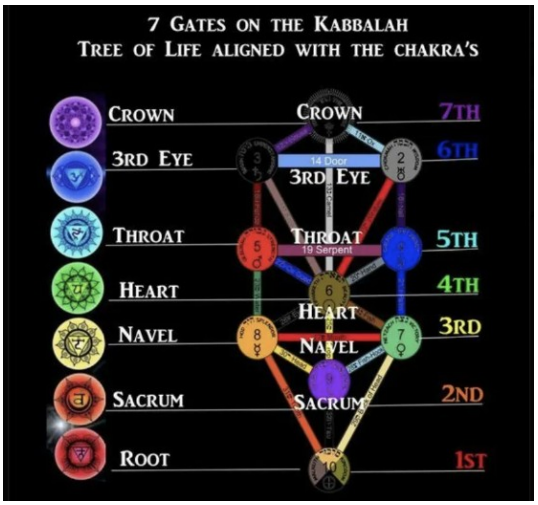
the "Order of Melchizedek" as a code name for this invisible, non-earthly priesthood, asserting that their secret rituals allow them to operate as spiritual intercessors for humanity.

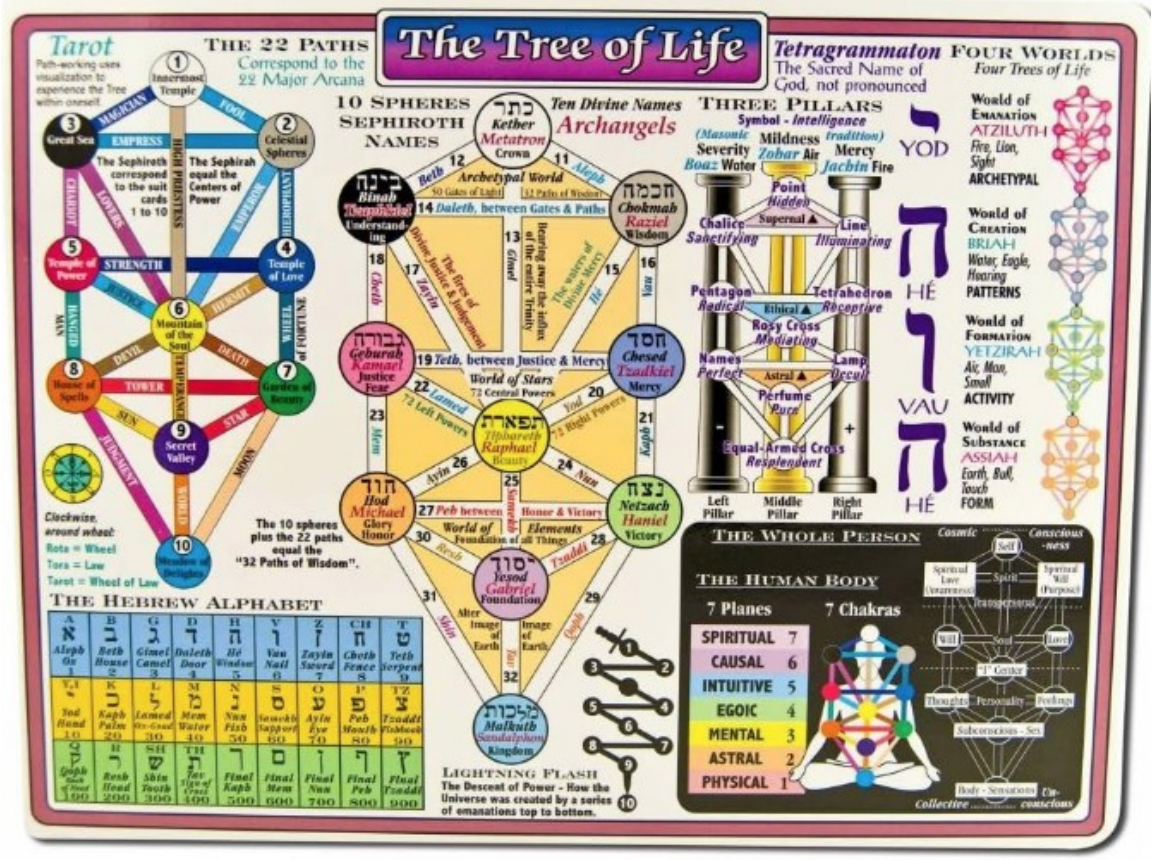


Hermetic and Golden Dawn Offshoots

The Hermetic Order of the Golden Dawn, along with various 19th and 20th-century magical societies, heavily incorporated Judeo-Christian concepts into ceremonial magic.







Then we have the **Kabbalistic Tree of Life:** In these magical secret societies, Melchizedek is associated with *Keter* (the Crown), the highest sphere on the Kabbalistic Tree of Life. Rather than worshiping him, occult practitioners invoke his name as a "Mighty Angel of God" or an "Ascended Master" during complex rituals. They believe doing so grants them the occult authority to command lesser spirits and manipulate spiritual energies. **Quasi-Secret "Priesthood" Movements.**

While not strictly underground secret societies, some highly insular religious groups operate with heavily guarded internal priesthoods that draw directly from his name such as the **Latter-day Saint Movement:** In Mormon theology, the highest administrative and spiritual authority is explicitly called the **Melchizedek Priesthood**. While the church is public, the specific temple ordinances, handshakes, and

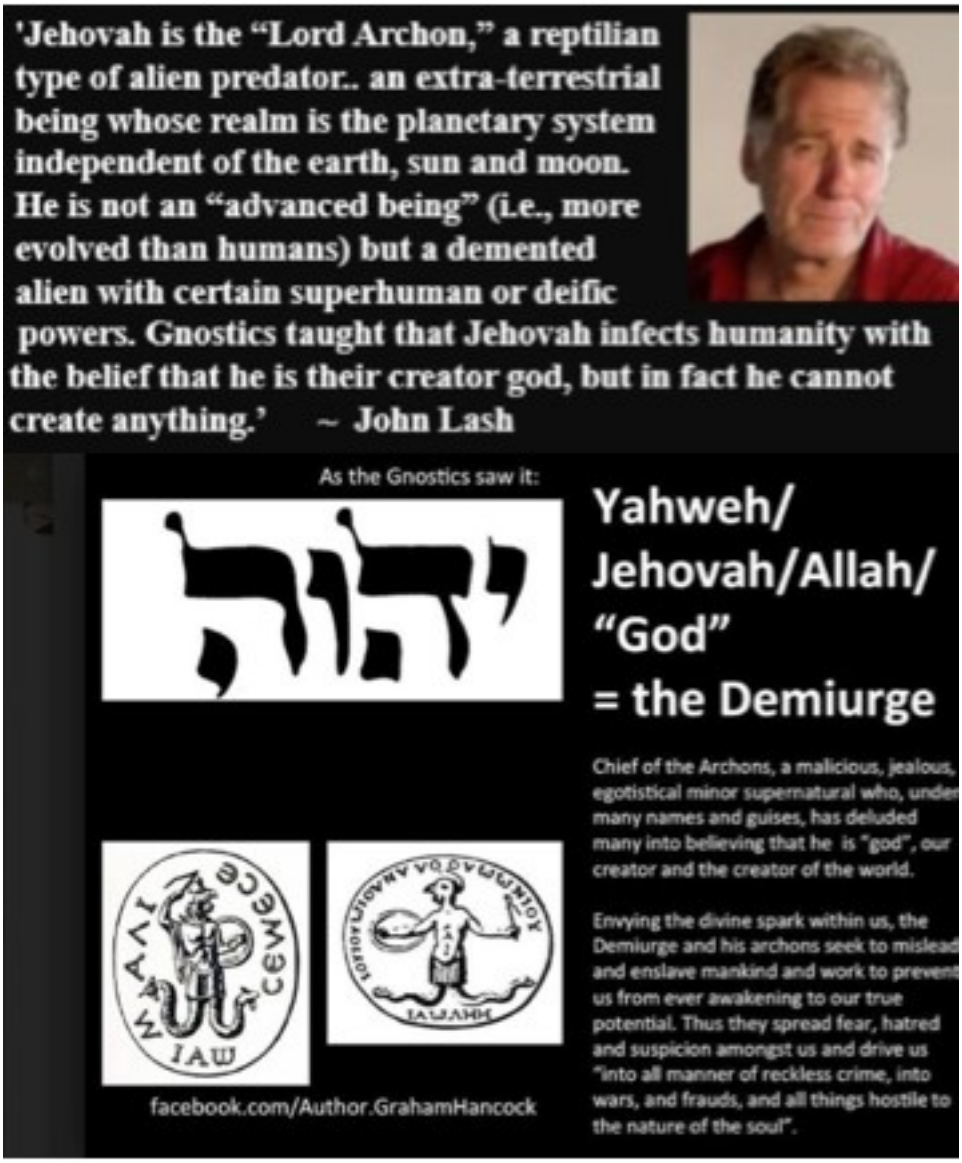
covenants associated with the higher priesthood structures are kept strictly confidential among members.

While Orthodox Judaism and traditional Christianity view the mysterious biblical figure of Melchizedek—the King of Salem and priest of God Most High—as a righteous figure, **some ancient Gnostic, fringe, and pseudo-historical traditions present an "evil" or distorted view of his doctrines**. **[1, 2, 3, 4]**

Ancient Gnostic Perspectives come from ancient Gnostic texts discovered at Nag Hammadi (such as the treatise *Melchizedek*), he is presented as a **supernatural, almost cosmic being who is elevated above or equal to Christ Himself, challenging the orthodox understanding of the Trinity**. **I want to state here that their were Christian Gnostics or what I would refer to as Gentile Gnostic that did not adhere to the mystical side of Gnosticism.**

Remeber the saying "there are two sides to every coin." Some Gnostic and esoteric branches viewed the God of the Old Testament (Yahweh/Jehovah) as a flawed or malevolent creator deity (the Demiurge).

In these belief systems, Melchizedek transcends the "rule of Jehovah" and brings a secret, cosmic, and alternative truth that subverts the orthodox biblical narrative. **Marcion and his mentor the Apostle Paul agreed that the Old Testament god or "the gods" were evil**.



'Jehovah is the "Lord Archon," a reptilian type of alien predator.. an extra-terrestrial being whose realm is the planetary system independent of the earth, sun and moon. He is not an "advanced being" (i.e., more evolved than humans) but a demented alien with certain superhuman or deific powers. Gnostics taught that Jehovah infects humanity with the belief that he is their creator god, but in fact he cannot create anything.' ~ John Lash
As the Gnostics saw it:
יהוה
Yahweh/
Jehovah/Allah/
"God"
= the Demiurge
Chief of the Archons, a malicious, jealous, egotistical minor supernatural who, under many names and guises, has deluded many into believing that he is "god", our creator and the creator of the world.
Envying the divine spark within us, the Demiurge and his archons seek to mislead and enslave mankind and work to prevent us from ever awakening to our true potential. Thus they spread fear, hatred and suspicion amongst us and drive us "into all manner of reckless crime, into wars, and frauds, and all things hostile to the nature of the soul".

Was **Melchizedek the Celestial Warrior:** In the fragmentary Dead Sea Scroll text known as 11Q13, Melchizedek is portrayed as a heavenly, divine warrior or archangel who leads God's angels in a final cosmic war against Belial and the forces of darkness, taking on the role normally associated with Archangel Michael. What about the **Fringe and Occult Doctrines.**

What was the **"Dominion of Melchizedek":** In modern history, a recognized, unrecognized micronation known as the *Dominion of Melchizedek* was established by fringe

figures. It has been widely used by scammers and con artists as a front to facilitate large-scale international banking and securities fraud.

Esoteric Reincarnation: In some New Age, esoteric, and "ascended master" teachings, Melchizedek is treated not as a historical human, but as an aggregation of "Christ consciousness" or an entity that authorized Abraham's religion in exchange for a 10% tithe.

The modern financial fraud associated with the **Dominion of Melchizedek (DoM)** represents one of the most elaborate and bizarre "pseudo-state" bank charter scams in history. Created in 1990 by a convicted fraudster named Mark Pedley (often using aliases like "Mark Logan Noack" or "Branch Vinedresser"), the Dominion of Melchizedek is a **wholly fictitious micronation**.

Despite having no territory—claiming instead a scattering of unpopulated Pacific islands, parts of Antarctica, and a spiritual dimension—it was used as an official-looking front to **steal hundreds of millions of dollars** from investors worldwide.

How the Melchizedek Scams Operated

Con artists utilized the fake country's "sovereignty" to run several highly profitable operations such as **Selling Fake Bank Charters**: The creators set up a phony "Central Bank of Melchizedek". They sold nearly 300 fraudulent commercial banking licenses to other global scammers for thousands of dollars each. These buyers then set up shell banks worldwide to lure depositors with promises of tax-free, high-yield returns that are **Worthless Financial Securities**: Subsidiaries of Melchizedekian companies created entirely fake stocks, bonds, and insurance policies. Scammers attempted to secure multi-million-dollar loans from real banks using these worthless assets as collateral.

Then their are the **Phony Passports and Diplomatic Immunity**: DoM sold fake passports, driver's licenses, and diplomatic credentials. Fraudsters used these documents to open legitimate bank accounts, bypass border security, and claim "diplomatic immunity" when law enforcement caught onto their financial crimes.

These are all **High-Profile Melchizedek Scandals** where the Dominion became a magnet for prominent white-collar criminals throughout the 1990s and early 2000s.

Then there was the **$40 Million Insurance Fraud**: Jeff Reynolds, appointed as the Dominion's "Secretary of Commerce," ran a fraudulent insurance company called *California Pacific Bankers and Insurance*. He swindled clients out of over $40 million by selling completely worthless policies before being sentenced to federal prison.

The **Credit Bank International Ponzi Scheme** was run by the Dominion's "Ambassador-at-Large," Roger Rosemont, this scheme drained the life savings of thousands of victims through a fake "60/40 Investment Programmer" that stole over $4 million.

Next we have the **First International Bank of Grenada**: A fraudster named Gilbert Ziegler fled U.S. bankruptcy court, bought a Melchizedek passport, changed his name to "Van A. Brink," and established a fake offshore banking empire in the Caribbean. He promised 100% interest returns, took in billions on paper, and ultimately defrauded everyday investors out of tens of millions of real dollars.

It was International agencies like the FBI, Interpol, the U.S. Securities and Exchange Commission (SEC), and the Office of the Comptroller of the Currency eventually issued global alerts exposing Melchizedek as a complete sham.

The figure of Melchizedek is not inherently seen as "evil" in theology, but several **exploitative cults, extremist**

groups, and occult networks distort his name to justify financial fraud, authoritarian control, or radical ideologies. Because Melchizedek is described in the Bible as a priest with "no genealogy, no beginning, and no end," these groups seize upon his mysterious identity to claim ultimate spiritual authority that bypasses traditional religious oversight.

The primary groups and movements criticized as "evil" or dangerous that promote their own versions of Melchizedek include:

1. Spiritual and Financial Cult Leaders

Several contemporary cults use the "Order of Melchizedek" as a branding tool to run high-control groups or financial scams such as the **Christ of Melchizedek Cult:** A prominent example of a modern spiritual cult centered around an individual calling himself the Christ of Melchizedek. Former members and cult trackers have identified this group as dangerous due to its absolute authoritarianism, exploitation of vulnerable seekers, lack of financial transparency, and tactics aimed at isolating members from their families.

There also was the **"House of Prayer" / Veterans Fraud Cult:** In late 2025, federal authorities and the FBI raided the properties of an extremist religious cult operating under entities like the *House of Prayer Christian Church*. The leadership used religious decrees—often drawing on high-priesthood concepts—to run multi-million dollar fraud schemes targeting military veterans, exhausting their GI Bill benefits and using them as straw buyers for real estate.

There we have the **Radical Sovereign Citizens and "Phony State" Fraudsters** of the fake micronation, the **Dominion of Melchizedek (DoM)** that was a front weaponized by a network of white-collar criminals, scammers, and anti-government extremists. These groups promote a "Melchizedek jurisdiction" to convince vulnerable

people that they can legally bypass U.S. federal laws, dodge taxes, and ignore banking laws. Many offshoots of the **Sovereign Citizen movement** use similar fake "Melchizedek legal documents" to file fraudulent multi-million dollar liens against judges, law enforcement, and government buildings.

Back to the **UFO Cults and Esoteric Networks**

In the broader New Age and UFO cult ecosystem, Melchizedek is completely detached from his biblical roots and promoted as a cosmic alien or a supernatural entity. The **Urantia Movement and Cosmic Cults** are a problem.

They have Highly structured belief systems like those stemming from the *Urantia Book* which teach that Melchizedek was a "planetary receiver"—an alien being who descended to Earth to emergency-manage human evolution.

The **Ascended Master Cults** are Darker, manipulative offshoots of "Ascended Master" teachings tell followers that they must pay thousands of dollars for spiritual "activations" or "initiations" into the Order of Melchizedek to protect themselves from an upcoming cosmic apocalypse.

The **White Supremacist and "Christian Identity" Extremists** promote a deeply dangerous ideological distortion of Melchizedek that occurs within radical Christian Identity and white supremacist groups. Because Melchizedek is described as the "King of Righteousness" and "King of Peace" without a recorded Jewish lineage, some antisemitic hate groups use him to argue that the "true priesthood" of God has nothing to do with Israel or Jewish heritage. They promote Melchizedek to fabricate an alternative, ethnically exclusive theology that justifies racial supremacy.

These Secret societies, esoteric fraternities, and occult orders do not generally "worship" Melchizedek as a god. Instead, they **revere, invoke, or initiate members into**

his name. Because he is a priest-king without an earthly genealogy, secret societies view him as the ultimate archetype of timeless, cosmic authority. They use his name to establish their own "spiritual legitimacy" apart from standard churches. The prominent fraternal orders, esoteric networks, and secret societies that heavily utilize the figure and doctrines of Melchizedek include:

Freemasonry (The Holy Order of High Priesthood) While mainstream Freemasonry requires a belief in a Supreme Being rather than worshiping specific biblical characters, Melchizedek is a central figure in several of its highest and most secretive DEEP STATE societies.

The **Anointed Order of High Priesthood** is a distinct Masonic degree given exclusively upon those who have been elected to preside as High Priest over a Royal Arch Mason Chapter. During the secretive ritual, candidates are symbolically anointed and set apart after they receive or complete the "Order of Melchizedek".

Then their is the **Masonic Esotericism:** Early Masonic scholars—including those cataloged in historical logs like the Masonic Wikidot—noted that Melchizedek's offering of bread and wine closely resembled ancient pre-Christian mystery cults like the Mithraic Mysteries. Masons use his figure to represent the historical unification of political power (the King) and spiritual power (the Priest).

The **Rosicrucians (Order of the Rose Cross)** or Rosicrucianism is a network of secretive, esoteric fraternities that arose in Europe during the early 17th century. They blend Christian mysticism, alchemy, and Kabbalah beliefs.

The **"Two Bloodlines" Doctrine:** Prominent Rosicrucian mystics, such as Max Heindel (documented on archives like The Masonic Trowel), taught that humanity is split into two spiritual lineages: the **"Sons of Cain"** (the builders, artisans, and occultists) and **the "Sons of Seth**" (the churchmen and

blind believers). According to Rosicrucian secrecy, Melchizedek is the cosmic figure who ultimately unifies these two opposing forces under a singular, hidden divine kingdom.

Under **Martinist Order (L'Ordre Martiniste)** Martinism is a highly secretive, mystical form of Christian chivalry founded in 18th-century France by Louis-Claude de Saint-Martin and Martinez de Pasqually.
